Policy & Race Journal

Policy & Race, ROTA's peer reviewed journal, is published twice a year.

It is an interdisciplinary journal for policy makers, scholars, practitioners and activists with an interest in race equality, equality and policy making. Its aim is to spark a debate on issues affecting BAME communities nationally and internationally.

We're looking for contributions from authors trained in all disciplines applying various methodologies to social policy issues. Contributions can be theoretical or empirical, and bursaries of up to £100 may be offered to help authors bring their work to publication.

Please contact Liz Carr, liz@rota.org.uk, in the first instance, if you're interested in becoming a contributor.
